SUNSHINE TOUR 2009

INTRODUCTION

Congratulations on qualifying for the Sunshine Tour Championship 2009, we hope that you have enjoyed taking part in the qualifiers and are excited about participating in the Championships.

Our aim is to put on a fun and thrilling championship show, with classes to suit everyone, professionally run to the highest standards possible whilst maintaining a friendly, inclusive atmosphere and with exciting championship titles and prizes to be won.

This championship is for:
Unaffiliated and amateur riders
Unaffiliated horses

The spirit of this competition as an amateur & unaffiliated championship is very important to us as organisers, to our sponsors and to our competitors, so we request that all participants respect the spirit of restrictions, not necessarily just the letter of the law. In some cases unaffiliated riders and/or horses can have dabbled or lightly competed in affiliated competition. Young or very green horses can be ridden by someone who is semi-professional (see below for our interpretation of 'professional' rider). Please carefully read restriction notes with class information. We have tried very hard to keep entry restrictions relevant and realistic, but if you are in doubt about whether you are genuinely eligible to compete or which section you should compete in, please contact Sunshine Tour HQ for clarification.

As part of our commitment to provide classes for all, we have expanded the championship classes on offer this year and the competition will be run over 2 days. Saturday classes are 'Small Tour' especially for more novice/inexperienced horses and riders (and Saturday includes all showing championships) and Sunday classes are 'Grand Tour' for more experienced/competitive combinations. **In some cases this might mean that you have more than one class to choose from, relevant to your original qualification** so please read the schedule carefully before selecting the right class for you and your horse to take part in. Please note that the same horse/rider combination cannot compete in both Small and Grand Tour classes or more than 3 classes within one discipline. However, you can compete in more than one discipline on the same or different days.

If you find that you are overqualified for the class that you originally qualified in, either because of restrictions or because you are now competing at a higher level then you might still be able to take part in the championship because **you can voluntarily exchange your qualification ticket for a higher level class**. E.g. in dressage if you qualify in Prelim you could voluntarily upgrade to Novice, or in show jumping if you qualify in 2'3" then you could upgrade to 2'6".

Thank you for taking part in the Sunshine Tour Championship Series 2009. We look forward to seeing you for a fun and exciting weekend in September. Good luck to everyone!

'Professional' Rider (according to Sunshine Tour) is someone who makes some or all of their living from:

- Riding, training, schooling or competing horses/ponies, either their own or belonging to others.
- Buying and/or selling or breaking in horses.
- Teaching and/or training riders.

We accept that some genuinely amateur riders might sometimes teach a rider, help a friend by riding their horse or occasionally buy a horse to sell on, or assist in breaking in. However, if you participate in any of these activities on a regular basis please respect the amateur nature of this championship by only competing very green/young horses.
