POLEWORK AND SHOWJUMPING CLINIC

Saturday 28th September

at Great Bookham Equestrian Centre, Dorking Road, Great Bookham, KT23 4PZ

GBEC is delighted to offer a very special show jumping clinic with highly experienced rider and trainer, **Andrew Williams**. After such popular demand, from his first clinic with us, we are so pleased to have another one coming up!

From Williams Equine, Andrew is very popular and highly recommended, so we are very excited to have him come and share his knowledge with us at GBEC. Andrew has many years of top-level showjumping experience, successfully competing nationally and internationally. He also produces young horses at home and has made a name for himself as an exceptional horseman.

As well as jumping, Andrew is a qualified BAEDT equine dentist and has a showjumping, hunting, and training yard in Cornwall. Also balancing his time in Surrey, he teaches children from those just started riding up to 5*competition riders.

Andrew has enjoyed much success on the county show circuit year after year and has also jumped the Prestigious Hickstead Queens Cup, Speed Derby, Derby trial, and the iconic Hickstead Derby. He has also enjoyed a great deal of success on the working hunter circuit, with many notable wins and tickets to HOYS, as well as standing Reserve Champion at Royal International and HOYS over two consecutive years.

In his sessions at GBEC, Andrew will work with you and your horse adapting to suit you both and get the most out of reaching you and your horses' goals. Suitable for all desires and levels.

£60.00pp **Individual Session**, £55.00pp **Shared Session** (2 people), £50.00pp **Group Session** (3 or more people).
